**INDICATIVE RULING PURSUANT TO RULE 62.1(a)(3)**

Upon the request of all parties, pursuant to Fed. R. Civ. P. 62.1(a)(3), the Court issues this indicative ruling regarding the comprehensive settlement agreed to by all parties during Sixth Circuit mediation.

If this action is remanded by the Court of Appeals for this Court's consideration of approval of the parties' settlement—which would fully resolve this class action and the related retiree healthcare action referred to in the caption—this

Court will approve the parties' class action settlement, if warranted under Fed. R. Civ. P. 23.

The Court hereby consolidates this action with the related class action, case number 11-15497, under Fed. R. Civ. P. 42(a)(2) and (3) or otherwise, to resolve both certified class actions with economy and efficiency in a single district court proceeding.

The parties shall notify the Sixth Circuit of this indicative ruling and request remand pursuant to Fed. R. Civ. P. 62.1(b) and (c) and Fed. R. App. 12.1(a) and (b).
